

Ellington Airport (EFD)

- Opened in 1917
- Supports the operations of the United States Military, The Department of Homeland Security, NASA, a variety of general aviation tenants and non-aviation businesses
- EFD supports over 3,600 local jobs and generates \$185 million in payroll and \$328 million of economic output
- EFD is a crucial part of the local, regional and national aviation infrastructure and supports relief and recovery efforts such as medical evacuations and cargo relief operations during times of natural disasters and other emergencies
- The airport is the place where many of the astronauts from the world-renowned Johnson Space Center receive their ongoing space training
- Home to the annual Wings Over Houston Airshow
- Conveniently located with immediate multimodal access to major highways, railroads and the Houston Ship Channel
