

# IAH CargoCenter

- Opened in January 2003
- Spans over 120 acres
- This modern facility offers three main buildings with over 550,000 square feet of space for cargo operators
- Parking for 20 widebody freighter aircraft
- Over 60,000 square feet of apron space
- The IAH CargoCenter features a one-stop-shop for federal inspection services for cargo clearance, including a full service inspection facility for quick certification of foreign animals, plants and seeds
- Over 900 freight forwarders currently use the services of the IAH CargoCenter
- Each building was built by a third party developer
- Land has already been earmarked for future expansion
