The City of Houston invites submittals from qualified companies interested in providing wastewater system evaluation and cleanup in our terminal building and trunk lines.

Work will be done according to standard City Of Houston contract.

The total cost is expected to be approximately \$1,000,000.00 via the award of a single contract.

All companies interested in providing such services should obtain a copy of the prospectus which includes a more detailed description of the work and submittal requirements at the office of Planning, Design & Construction Division, Department of Aviation, 16930 J. F. Kennedy Boulevard, Houston, Texas 77032.

This submittal deadline is 2:00 p.m. on Thursday, April 16, 2009.
