

George Bush Intercontinental Airport (IAH)

- Opened in 1969
- In June 2009, IAH will celebrate its 40th Anniversary
- Houston's largest airport
- 8th largest U.S. airport for both total traffic and international passenger traffic
- Non-stop service to more than 100 destinations within the United States and nearly 70 direct and nonstop international destinations
- IAH offers service to more Mexican destinations than any other airport in the country
- The largest hub for Continental Airlines which has its corporate headquarters in Houston
- IAH supports 118,000 local jobs and contributes \$19 billion to the local economy
- Covers more than 10,000 acres of city-owned property
- In 2008, nearly 42 million passengers traveled through the five-runway airport
