

May 19, 2010

For the last five years the Fire Fighters Foundation of Houston has been raising funds to purchase supplemental equipment and supplies for the men and women of the Houston Fire Department. An annual *“The Face of Heroes.....Answering the Call”* dinner is held to show our community’s appreciation for these brave men and women that regularly risk their lives to protect our homes, families and businesses. We set aside **September 11th** each year to honor and remember. It is with great honor that we ask you to **serve on the Host Committee** for this event.

This year the event will be held at Hilton Americas Grand Ballroom. As part of the evening’s agenda, we recognize members of the Houston Fire Department who have demonstrated particularly outstanding service with our **Valor Awards**; and, this year a member of our community who has championed our cause will receive the inaugural **Everyday Hero Award**.

Our support of the members of the Houston Fire Department is more important than ever. Therefore, we hope that you will make a special effort to support us and attend this celebration of service and valor and participate in this year’s dinner. It is with your support that we all can make a difference and provide life saving equipment. Our Houston Fire Fighters “Answer the Call” with the utmost professionalism, compassion and respect. It is with utmost pride that we send you this letter asking you support us and to come and meet our local heroes.

As a Host we ask that you try to attend the event and encourage others to attend as well. In addition, we will include your name in all our printed materials. Enclosed please find a **Host Committee response form along with sponsorship information**. Money raised goes to pay for special equipment and supplies requested by the Department – with your help we can make a tremendous difference.

We look forward to seeing you on September 11<sup>th</sup>!
